

A New Priscilla Bacon Hospice

Presentation on Friday 8th July at 12.30pm

At The View, The Forum, Millennium Plain, Norwich, Norfolk, NR2 1TF

Work to provide a new 24 bed specialist care facility for the Priscilla Bacon Hospice is now underway following the appointment of Morgan Sindall Construction as Main Contractor. The £12.5M, charity-funded, building will be located next to the Norfolk and Norwich Hospital and will replace the current building on Unthank Road, which was established over 40 years ago.

In this talk Rupert Kitchen, a Director and Chartered Architect at AJ100 listed Architectural practice LSI Architects, will share how the design for the hospice has developed throughout the project and discuss some of the key design features that will deliver a state-of-the-art building to support Priscilla Bacon Hospice as it delivers the specialist palliative and end of life care required in Norfolk and Waveney.

This event is available to members, free of charge, but please book your place by emailing Julie Howes, secretary@nfc.co.uk.

Places are limited and will be allocated on a first come first served basis.

You will be notified if you have been allocated a place in due course
